Elf: The Musical

William "Buddy" Hobbs, a young orphan child, mistakenly crawls into Santa's bag of gifts and is transported back to the North Pole.

Years later, Buddy finds out that he's an ordinary human being and heads to New York City in search of his father.

He finds him, but he doesn't believe in the spirit of Christmas, nor do many other New Yorkers. This is a problem, because Santa's sleigh is powered by the people's belief in Christmas.

Faced with the harsh reality that his dad is on the naughty list and his half-brother, Michael, doesn't even believe in Santa, Buddy is determined to win over his birth family and help New York City remember the true meaning of Christmas.

Caesars, a premier Atlantic City resort, offers a Rome experience, right here in New Jersey. At Palace Court, enjoy a casino atmosphere inspired by the Pantheon in Rome. The soft palettes, columns and fixtures deliver a luxurious ambience, while the Atlantic City casino keeps the excitement going all day long. Caesars offers daily, weekly and monthly live poker tournaments. Other exciting table games include Pai Gow, roulette, blackjack, baccarat and so much more. Did we mention over 2000 slot machines?
