OLD BUSINESS

Clean Up Day:

Guest Speaker: Matt Ambrosio, Superintendent of Public Works, CRP

Presentation on results of 12th Annual Town Wide Clean Up Weekend.

A brief overview on accepted items, tonnage, and tire discarding procedure took place. Recommendations on improving future Clean Up Days: actively checking participants ideas, charge for disposal of tires, and advertising future changes on flyers.

A motion for future events limiting the amount of tires accepted to maximum of eight free with a two dollar additional per tire fee was moved by Edward Covitz, seconded by Bob Knowles. All in favor: (aye)

Edward Covitz stated, "The Annual Clean Up Day ran smoothly thanks to the participation of the Department of Public Works".

Sustainable Jersey:

Discussion took place on application process and deadlines of Sustainable Jersey.

To continue working towards becoming Sustainable Jersey silver certified the Environmental Commission will have a table at township event on August 5, 2014. Suggestions for public outreach consisted of free energy saving light bulbs, educational material handouts, and a rain barrel demonstration.

Founder's Day:

Heidie Geary stated the local Bee Keeper took the remaining 100 Beach Plum seedlings from the Environmental Commission Founders Day table to the orchards.

NEW BUSINESS

Rail Trail:

A discussion took place indicating the Environmental Commission will be conducting another Rail Trail Clean Up in October. The importance of this event was emphasized because of its successful educational outreach and positive environmental impact in the community.

Further discussion and planning will occur at the next Environmental Commission meeting.

Motion to adjourn was made by Jack Henderson, seconded by Bob Knowles. All in favor: (aye).

Respectfully submitted,

Sandra Pirozzi
Secretary
