In any print advertisement, the license number shall appear in type no smaller than eight point in the lower-right-hand corner of the advertisement. The investigation shall include, but shall not be limited to, the following:

(1) The experience of the applicant in the business of purchase and sale of those articles or goods referred to in Subsection A of the definition of “secondhand dealer”, although nothing in this section shall be construed to warrant denial of a license solely on the basis of lack of experience.

(3) Any criminal record of the applicant.

(4) The type of operation contemplated to be conducted by the applicant, particularly whether the business is to be operated from a fixed location, whether it is to be conducted from a location primarily devoted to the purchase and sale of those articles and goods referred to in Subsection A of the definition of “secondhand dealer”, and other factors bearing upon whether the licensed business will be of a fixed and permanent nature. This section, however, shall not be construed to require denial of any license solely on the grounds that the business is not conducted from a fixed location.

The Township Clerk shall provide the applicant with a statement of the reason or reasons for such denial. The applicant shall have 10 days after the mailing date of the notice to request reconsideration by the Township Clerk, and shall have the opportunity to provide the Township Clerk with any information in response to that set forth in the Township Clerk’s notice of denial.

D. Grounds for recommending denial of a license may include reliable information indicating that the applicant has in the past engaged in fraudulent or deceptive business practices in a business identical to or similar to the business of a secondhand dealer. A license may be denied if the investigation conducted by the Chief of Police reveals a conviction of the applicant or any of its principal officers or employees of any crime or disorderly persons offense in which deceit or misrepresentation is an element or any conviction of any crime or disorderly persons offense involving theft or receiving stolen goods, regardless of whether the applicant was a principal, accessory before the fact, after the fact, or a co-conspirator.

Upon receipt of the recommendation of the Chief of Police, the Township Clerk shall issue or deny the license accordingly, contingent upon the receipt of a bond as required by this chapter.

E. Whenever any application for a permit is denied, the applicant may appeal the denial to the Township Committee by filing a written notice of appeal within 10 days after receiving written notice of the denial of a permit to act as a secondhand dealer. The Township Committee shall hold a public hearing on the matter and may modify, affirm, or reverse the decision denying a permit.
